

U.S. INDIE ROMANCE COMPLIANCE SLIP

_____ is an American indie film that premiered earlier this year at Sundance / SXSW / Toronto (delete as appropriate). The film stars him from _____ and her from _____ as a young couple united by _____. After a quirky first date at _____, during which he / she seduces her / him by delightfully _____,

the two begin a relationship characterised by unexpectedly poignant moments (watching a flock of birds together / giving symbolic gifts / orchestrating impromptu musical performances) and oddly irrelevant conflicts. In the end they are forced to accept that their relationship will always be tempered by _____ and the movie ends on a ambiguous but nonetheless hopeful note.
